## SECURITY

## CONSOLIDATED EXPENDITURE CENTER OVERVIEW

25X1 The Office of Security develops, maintains, and conducts a worldwide security program designed to protect CIA personnel, facilities, information, and intelligence sources and methods. Its physical, technical, and information security programs are designed to protect against hostile penetration in the U.S. and overseas. Included is a program of periodic reinvestigation and repolygraph of CIA employees. [ ]

25X1 The Office conducts an industrial security program that consists of on-site contractor security audits, background investigations/reinvestigations, and polygraph/repolygraph interviews. Security policy and guidance on compartmented intelligence is provided to CIA, the Office of the Director of Central Intelligence, and the Intelligence Community Staff. The Office also provides security services of common concern to other Intelligence Community agencies in the areas of technical surveillance countermeasures training and centralized recordkeeping associated with access to compartmented intelligence.
